UNIQUE STUDENT IDENTIFIER (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

- Provide us with your USI, or
- Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals, please review this webpage:

<https://www.usi.gov.au/your-usi/create-usi>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

If you would like to create your own USI, please visit: <https://www.usi.gov.au/your-usi/create-usi>

We are unable to issue a qualification or a statement of attainment unless we have a valid USI or a notice of exemption from the registrar.

CREDITS

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with us.

The Institute can grant you credit towards your course for units of competency or modules that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit/ module in your course, and the subject or unit you have completed.

To apply, fill in the Credit Transfer Form and submit it as part of your application. You can apply for Credit at any time however it is best you do this as part of your enrolment so that Credits are known upfront and you are not required to do any work that you otherwise may not have needed to do.

Make sure you attach certified copies of transcripts from your previous study. In some cases we may ask for additional information about the subject or unit you previously studied so we can determine equivalence. Your Credit Transfer Form may be returned to you if you don't provide the required information.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing. You will be advised in writing of the outcome of your Credit Application.

The detailed Credit Transfer procedures are specified on Collins Academy's *Credit Transfer and Recognition of Prior Learning Policy* which can be found on Collins Academy's website www.collinsacademy.edu.au.

Reduction of Course Duration as a result of Credit or RPL

If Credit or RPL is granted after the acceptance of a place in a course or on commencement of studies and will affect the duration of studies, Collins Academy will provide you with a new Confirmation of Enrolment Letter (CoE) including the new duration

RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

The Institute has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a RPL Evidence Portfolio Pack that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in the RPL Evidence Portfolio Pack and return it with an RPL Application Form. Your application will then be assessed for suitability, and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning, and you will be advised of these fees upon contacting us. For more information about submitting an application for RPL, contact our office.

The detailed Recognition of Prior Learning procedures are specified on Collins Academy's *Credit Transfer and Recognition of Prior Learning Policy* which can be found on Collins Academy website www.collinsacademy.edu.au

Once you receive your electronic Confirmation of Enrolment, you will need to apply for your visa. Information about applying for a visa can be found at <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500>

This document explains the process for application, evidence that you must provide (including a valid passport), information on student visa conditions, permission to work, Overseas Student Health Cover and charges associated with the visa application. You may wish to use a registered migration agent to assist you with your application, or Collins Academy has a range of education agents who can assist you with the process of applying for a course at Collins Academy and including assistance with visas. ARRANGING TRAVEL AND DOCUMENTS TO BRING

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Melbourne at least 2 weeks before your course orientation to give you time to settle in.

The nearest international Airport is Melbourne International Airport in Melbourne, Australia.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (eCoE)
- Insurance policies (including your health cover)
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by Collins Academy at the time of confirmation of enrolment.

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, make copies that can be left behind with family and sent to you.

ENTRY INTO AUSTRALIA

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the baggage counter will help you to find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the plane. If customs officers decide that the item you are bringing in is not safe, it will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

If you want further information, visit the Australian Quarantine and Inspection Service (AQIS) website at <http://www.agriculture.gov.au/travelling/arriving-in-australia>

ARRIVING IN AUSTRALIA

Getting from Melbourne Airport to your accommodation

Melbourne Airport's international and domestic terminals are located under one roof. The airport is about 30-minute drive from the city.

On the plane, you will be given an Incoming Passenger Card to complete. You will need to fill in your flight details and customs information.

Make sure you have your passport and Incoming Passenger Card ready for the Entry Control Point.

When you have passed through the Entry Control Point, you will collect your baggage and exit via Customs and Quarantine (AQIS).

There are 2 exit channels after you have collected your baggage.

- If you have any goods to declare, you must walk through the red channel

- If you have nothing to declare, you can proceed through the green channel

Note that there will be an Airport Pickup Service fee that will apply. Also, you can take a taxi from the airport. There is a bus service (Skybus) that will take you to the heart of Melbourne CBD and walking distance to the Institute.

TRAVELLERS' INFORMATION SERVICE AT MELBOURNE AIRPORT

On arrival, please make your way to the Information and Tourism Bookings Booth located on the ground floor of the terminal opposite the bottom of the escalator.

You can also choose Shuttle Bus, which offers a Door-to-Door service from Melbourne Airport to Melbourne Hotels and Businesses and return.

Alternatively, you can call a taxi. It is convenient to catch a taxi outside of the Melbourne Airport or call for a service as the details provided above. Access to the terminal is via the northern doors. The lifts or escalators will take you to Level 2 for departures. To exit the airport, there is a designated taxi rank located to the left of the pedestrian plaza as you walk out of the terminal. Concierges provide a safe environment and allocate taxis to passengers. They can also organise taxis with wheelchair access, five-seaters and maxi taxis for larger groups or station wagons for large amounts of baggage.

You can go to the Melbourne Airport website <https://www.melbourneairport.com.au> for more information regarding the transport options. Alternatively, you can call Melbourne Metro Infoline 1800 800 007.

KEEPING IN CONTACT

Before you leave home, you should provide your family and friends, and your education provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them.) Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always let someone know where you are.

ARRANGING YOUR FINANCES

The currency of Australia is the Australian Dollar. Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some as soon as you arrive – you will usually be able to do this at the airport.

Once you have arrived in Melbourne you can also change more money into Australian dollars at any bank or currency exchange. Note, however, that banks are not open on the weekend and while airport currency exchanges are generally open, the rate is usually not as good as with a bank.

You should not carry large sums of money with you, and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Find out more about money matters by visiting <http://www.studyinaustralia.gov.au/en/Living-in-Australia/Money-Matters>

ACCOMMODATION

It is best book temporary accommodation before you arrive and look for long-term accommodation once you get to Australia. Temporary accommodation could be a hotel or hostel.

If a student requires assistance in finding accommodation during his/her studies, the Institute will provide necessary information and direction depending on the situation of the student. The student will be provided with information such as:

- Comparisons of costs among different types of accommodation
- Advice on which type of accommodation will be suitable for the student
- Contact details for home stay agencies or networks
- Contact details for real estate agents

Following are some of the accommodation options and costs:

 Student will live with a local family or resident. This option is a great way for students to learn and experience the Australian lifestyle. Students will be provided with guidance on settling into their new community and introduced to the Australian culture. They will also be provided with information on how to use public transport internet banking and personal safety tips. Students will also be provided with clean furnished private single room and meals. Usually, the cost per week is between \$235 to \$325.
- **Rental**
 You may rent a house, an apartment or a unit as accommodation. You may need to provide your own furniture and will require to pay a security bond equal to one month's rent. Usually, the cost per week is between \$165 to \$440.

It is important to remember that as an international Student, you have the same renting rights as local residents. Review the information below about renting and tenants' rights. HEALTH

Emergencies

For emergencies such as fire, ambulance or police, phone 000. When you dial 000, you will be asked whether you want fire, ambulance or police and why you want this assistance. You will also be asked for your name and address and telephone number.

Australian police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to buy OSHC before you come to Australia to cover you from when you arrive. The Department of Immigration and Border Protection requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you.

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- OSHC Worldcare www.oshcworldcare.com.au
- NIB OSHC <https://www.nib.com.au/overseas-students>

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers;
- International travel insurance; or
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au

LIVING COSTS IN AUSTRALIA

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

- Be informed of relevant due dates or timing of assessments to be conducted
- Your assessor will go through all of the arrangements with you and you can ask them any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet asks you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet. Assessments can be submitted directly to the trainer/assessor or uploaded using the learning management system. You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file.

Written work will be marked within 14 days of receipt. Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Satisfactory (NS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (C) for a unit. If one or more of your tasks are assessed as Not Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (NYC). You can have another attempt to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If, after the second attempt, you are still assessed as Not Satisfactory for a task, you will need to apply for the third assessment with an additional fee. If you are still assessed as Not Satisfactory for a task for the third attempt, you will need to re-enroll for the unit to complete additional training and assessment to support you in achieving a Competent outcome. This may incur an additional fee for students as identified in the fees and charges information.

REASONABLE ADJUSTMENT IN ASSESSMENT

Some students may need modifications to assessments due to disability, illness or special considerations –

This is called reasonable adjustment. Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing student workbooks in an audio format or on different coloured paper.
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops.
- Making changes to the assessment arrangements e.g. more time allowed for assessments.
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally.

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

APPEALING ASSESSMENT DECISIONS

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

STUDENT PLAGIARISM CHEATING AND COLLUSION

Collins Academy has a no tolerance policy for plagiarism, cheating and collusion. MAINTAINING YOUR ENROLMENT AND COURSE PROGRESS

You must meet course progress requirements in order to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

The Institute will assist you to meet course progress requirements by monitoring your progress and providing you with relevant support at an early stage. The Institute uses a range of methods to monitor course progress including review of participation in training activities and assessment tasks. Where we consider you are at risk of not meeting course progress requirements, we will issue you with a first warning letter inviting you attend a meeting to discuss why you are not meeting course progress requirements and support that you required. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs to meet course progress requirements. Agreed support will be documented in an Intervention Plan that both you and the Course Coordinator will sign.

Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter and again inviting you to a meeting to discuss why you are not still meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where you continue not to meet course progress requirements, you will be reported to DHA for not meeting course progress requirements. DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

You may appeal against the Institute's decision to report you to DHA. However, an appeal will only be considered if the Institute has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered to be compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes;
- Bereavement of close family members such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies.
- A traumatic experience which has impacted on the student, and which could include involvement in, or witnessing of a serious accident; and witnessing or being the victim of a serious crime. These cases should be supported by police or psychologists' reports); or
- Where the Institute is unable to offer a pre-requisite unit.
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa.

Attendance

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all classes; however, we understand that in some cases you may not be able to get to a class because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes.

Where you are at risk of not meeting attendance requirements, we will contact you to arrange a meeting to discuss your attendance and any support we can offer you to meet requirements. Once the process for warning you that you are not meeting attendance requirements and we have provided you with assistance, if you do not or cannot meet attendance requirements, we will be required to report you to DHA. DHA will make the final decision on whether your visa will be cancelled because of your unsatisfactory attendance.

In some cases, you may not be reported if attendance falls below 80%. Your attendance will not be reported if it is at least 70% and you are maintaining satisfactory academic performance.

You may also not be reported in the case of compassionate or compelling circumstance i.e. those beyond your control and which have an impact on your course progress or wellbeing (see course progress requirements for details of compassionate and compelling circumstances).

COURSE TRANSFER

Transferring from another registered provider

The Institute will not knowingly enroll a student wishing to transfer from another registered provider's course prior to the overseas student completing six months of his or her principal course unless one or more of the following conditions apply:

- the releasing registered provider or the course in which the student is enrolled has ceased to be registered;
- the releasing registered provider has had a sanction imposed on its registration by the ESOS agency that prevents the student from continuing his or her principal course at that registered provider;
- the releasing registered provider has agreed to the overseas student's release and recorded the date of effect and reason for release in PRISMS;
- any government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change.

Transferring to another registered provider

- For the Institute students seeking to transfer to another registered provider's course of study prior to completing six months of their principal course, the transfer request will be assessed and granted in any of the following circumstances:
 - ✓ the student will be reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with the Institute's intervention strategy to assist the overseas student.
 - ✓ there is evidence of compassionate or compelling circumstances.
 - ✓ the Institute fails to deliver the course as outlined in the student agreement.
 - ✓ there is evidence that the student's reasonable expectations about their current course are not being met.
 - ✓ there is evidence that the student was misled by the Institute or an education or migration agent regarding the Institute or its course and the course is therefore unsuitable to their needs and/or study objectives.
 - ✓ an appeal (internal or external) on another matter results in a decision or recommendation to release the student.

- A transfer to another course will not be granted where:
 - ✓ The transfer may jeopardise the student’s progression through a package of courses.
 - ✓ The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student. In this case, the student will be requested to wait a further 4 weeks before deciding whether to apply for a transfer to another registered provider during which time the full range of support services will be provided to the student.
 - ✓ The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.
 - ✓ There are no legitimate compassionate or compelling circumstances.
 - ✓ In order for a request for transfer to be considered and a letter of release provided, students must provide a valid offer of enrolment from another registered provider.
 - ✓ The outcome of the student’s application for course transfer will be provided in writing within 10 working days of receipt of application.
 - ✓ Where a student’s application is refused, the reasons for this will be communicated plus the right to access the complaints and appeals process as outlined below.
 - ✓ There is no cost in releasing students. However, where a student transfers to another registered provider, any refund of course fees, where applicable, will be paid will be in accordance with Institute’s refund policy.

Transferring to another course offered by the Institute.

Students may transfer to another course offered by the Institute in the following circumstances:

- ✓ Where it is considered that the course that the student wishes to transfer to;
 - better meets the study capabilities of the student; and/or
 - better meets the long-term goals of the student, whether these relate to future work, education or personal aspirations; and/or
 - Or, where the student claims or can provide evidence that his or her reasonable expectations about the current course are not being met.
- ✓ A transfer to another course within the Institute will not be granted where:
 - The transfer may jeopardise the student’s progression through a package of courses.
 - The student has recently started studying the course and the full range of support services are yet to be provided or offered to the student.
 - The student is trying to avoid being reported to DHA for failure to meet the provider's attendance or academic progress requirements.

In order for a request for transfer to be considered, students must complete an Internal Course Transfer Application Form. The outcome of the student’s application for course transfer will be provided in writing within 10 working days of receipt of application. The costs involved in transferring to another course plus any refund of course fees paid for the student’s current course in unspent fees will be in accordance with the Institute’s Fees and Refund policy.

All students who are either considering a course transfer, or have had their transfer request approved, will be advised that they must contact DHA to seek advice on whether a new visa is required. To find out more about visa requirements, students will be advised to contact DHA on 13 18 81 or visit the following website: <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500>

DEFERRAL, SUSPENSION AND CANCELLATION

Deferral and Suspension of Studies

Requests from students for deferral and suspension of studies will only be granted in compassionate or compelling circumstances which are generally those beyond the control of the student and which have an impact upon the student's course progress or wellbeing. When determining whether compassionate or compelling circumstances exist, the Institute considers documentary evidence provided to support the claim.

Where a student-initiated deferral or suspension of enrolment is granted, the Institute will suspend an enrolment for an agreed period of time - to a maximum of 6 months. If the deferral is required for longer than 6 months, the student's application will be re-assessed on its individual merits. Verification and authentication processes must be followed to clarify that the circumstances are genuine. If the suspension period has expired and the student does not return, the student's enrolment will be cancelled.

Provider Initiated Suspension or Cancellation

The Institute may suspend or cancel a student's enrolment including, but not limited to, on the basis of:

- misbehaviour by the student (including plagiarism, collusion and cheating)
- student's failure to pay an amount he or she was required to pay the Institute
- a breach of course progress or attendance requirements by the overseas student

Where the Institute suspends or cancels a student's enrolment, before imposing a suspension or cancellation the Institute will inform the student in writing of that intention and the reasons for doing so and advise the overseas student of their right to appeal through the provider's internal complaints and appeals process, within 20 working days. Under no circumstances will the suspension or cancellation of the overseas student's enrolment will take effect until the internal appeals process is completed, unless the overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.

Student Initiated Cancellation of Studies

Students may initiate cancellation of their studies at any time during their course. Students who wish to withdraw within six months of their course to transfer to another provider will be processed as per Student Transfer Policy.

CHANGE IN VISA STATUS

Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, The Institute will notify the Department of Education and Training via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the DHA web site at <https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500> or telephone 31 18 81 for information and their local DHA office for advice on how the potential change to enrolment status may impact upon his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by the Institute the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, the Institute will suspend enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply once the initial suspension period has expired

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to DHA via the DHA helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

The Institute will always use its professional judgement to assess each student's case on its individual merits. when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.

- Immediately report hazards to your trainer/assessor.

NATIONAL VET REGULATOR ACT 2011

As a student in Australia’s vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

- Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.
- There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.
- It will be easier for training organisations to assess students’ pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

Students will be able to pay their fees using a variety of methods. The Institute will accept payments in person of cash, personal cheques, money orders, and credit cards (except DINERS). Students are able to send or deposit money into the Institute’s bank account specified in the Letter of Offer.

Students must notify the Institute immediately once they have made a payment to the Institute’s bank account.

Any student who has an overdue debt to the Institute and does not fully settle this debt shall cease to be entitled to any privileges of the Institute. The Institute may at its discretion cancel enrolment (automatically withdrawing access to the Institute services including classes, email, LMS, insurance, etc.), and refuse access to official documentation (assessment results, graduation, etc.). The Institute will take appropriate legal debt recovery action where students default on their payments.

International students applying for a refund must complete and provide a refund application and relevant supporting documentation. Relevant forms and documentation should be submitted in hard copy to Institute or by email to info@collinsacademy.edu.au.

Requests for refunds should normally be made within 14 calendar days of an event which qualifies the student for a refund. Please refer to the *Fees and Refund Policy* for the details of fees refunds and consumer rights on the institute’s website: www.collinsacademy.edu.au.

The Institute’s Policies and Procedures does not remove the right of a student to take action under Australia’s consumer protection laws.

Tuition Protection

In the unlikely event that the Institute is unable to deliver a course in full, international students enrolled in that course will be offered a refund of their unspent tuition fees which were received by the Institute. This refund will be paid within 14 days of the day on which the course ceased being provided. Alternatively, within 14 days, students may be offered enrolment on an alternative course at no extra cost. Students have the right to choose whether they would prefer a refund of their unspent tuition fees or to accept a place on another course. If a student chooses to be placed into another course, the student will be issued a new offer letter and enrolment agreement with their new provider, in place of their enrolment documentation issued by the Institute.

If the Institute is unable to provide a refund or place a student into an alternative course in accordance with the Education Services for Overseas Students Act 2000 and National Code of Practice for Providers of Education and Training to Overseas Students 2018, then the Tuition Protection Service (TPS) will assist students in finding an alternative course or to obtain refunds if a suitable alternative course is not found. An appeal is a request for a decision made by the Institute to be reviewed. Decisions may have been about:

- Refund assessments
- Response to a complaint
- Assessment outcomes / results
- Other general decisions made by the Institute

The complaints and appeals process is made up of four stages:

- Stage 1 - Informal Complaint
- Stage 2 - Formal Complaint
- Stage 3 - Internal Appeal
- Stage 4 - External Appeal

The Institute is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. The Institute ensures that complaints and appeals:

- Are acknowledged in writing.
- Are responded to in a professional, consistent and transparent manner.
- Are responded to promptly, fairly, objectively, with sensitivity and confidentiality.
- Are able to be made at no cost to the individual.
- Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.

Nothing in the Institute’s policies inhibits student’s rights to pursue other legal remedies. Students are entitled to resolve any dispute by exercising their rights to other legal remedies.

Students, if after following internal appeal process, still believe that the Institute is breaching or have breached its legal requirements or are not satisfied with the decision reached; they may seek assistance from a formal external authority including:

National Training Complaints Hotline

The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint.

Consumers can register a complaint with the National Training Complaints Hotline by:

Phone: 13 38 73, Monday–Friday, 8am to 6pm nationally. Email: ntch@education.gov.au

Australian Skills Quality Authority (ASQA)

Complainants may also complain to the Institute’s registering body, Australian Skills Quality Authority (ASQA). ASQA can investigate complaints about the Institute in relation to:

- the quality of our training and assessment
- our marketing and advertising practices

ASQA may not be able to investigate the complaint if you do not include evidence that you have already exhausted our formal internal complaints process as above. If your complaint does not fall within ASQA's jurisdiction, it may be resolved more quickly if you directly contact the agency responsible as listed on the relevant webpage below. Please refer to the relevant webpage below before making a complaint to ASQA: <https://www.asqa.gov.au/complaints/make-complaint-overseas-students/before-you-submit-complaint>

The Overseas Student Ombudsman (OSO)

International students may complain to the OSO if their complaint is in relation to the Institute:

- course fees and refunds
- course or provider transfers
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by your provider
- incorrect advice given by an education agent
- if you believe we have failed to take action or are taking too long to take some action. This might include (for example), failing to provide your results in the normal timeframe, or failing to provide services included your written agreement with the Institute.

The OSO may not be able to investigate your complaint if you have not already exhausted our formal internal complaints process as mentioned above. Please refer to the following website if you are considering making a complaint:

ISSUING OF CERTIFICATION DOCUMENTS

On completion of your course and payment of all relevant fees, we will issue you with a qualification (testamur/certificate) and record of results within thirty (30) days. The record of results will show the units of competency achieved in the course and corresponding results.

Where a student withdraws or partially completes a course, a Statement of Attainment will be issued within thirty (30) days of withdrawal as long as all relevant fees have been paid. A record of results will only be provided with a statement of attainment where requested.

The Institute reserves the right to withhold the issuance of qualifications and Statements of Attainment until all fees related to the course or qualification have been paid, except where the Institute is not permitted to do so by law.

The Institute must have a valid USI on file for the student for a qualification or Statement to be issued.

RE-ISSUING STATEMENTS AND QUALIFICATIONS

Records of qualifications and unit achievement are kept on record for a period of at least thirty (30) years. Students can request copies of any of these statements or qualifications at any time for an additional charge. Refer to our Fees and Charges section for the current fee.
